

Youth Development League (YDL) 2013

The outdoor track and field season will shortly be upon us and with it another challenge for DAC athletes in the new prestigious YDL league. If we are to be more successful than in previous years, we need to put forward as strong a **team** as possible so it won't always be possible for every athlete to do their preferred event, therefore your willingness to compete, and flexibility as to which events you take part in, will significantly help our chances of gaining promotion.

Please ensure that membership fees are paid up to date and the additional England Athletics Competition Licence has been paid, as failure to do so will result in you **not** being eligible for selection in this league.

The teams we will be competing against are:

Lower Age Group (U13, U15) Sheffield, Gateshead, Liverpool, Preston & Sale
Upper Age Group (U17, U20) Chesterfield, York, Hull, Middlesbrough & Rotherham

Transport will be arranged for away venues, details of which will be made known nearer the fixture.

A team manager will notify you if you have been selected for the team for each of the meetings and the notification will also be posted on the club website and Junior Notice Board.

To help with planning, selection and organising the teams please complete the information requested on the attached sheet and hand it to a team manager or reception as soon as possible.
